## [A] PRE-WEEK ACTIVITIES

Commencement Date – Monday, September 19, 2011

### Activity 1 – Poetry Writing Competition

Topic: OPEN

Target Audience: Secondary School Aged Students

Start Date: Monday, September 19, 2011

Closing Date: Monday, October 4, 2011

**Objective:** Write a poem no more than 40 lines inspired by the essential role of statistics in the student's development as an individual, community, nation or the Caribbean.

- ☉ Rules and Regulations and Entry Forms available

### Activity 2 – Word Creation Competition

Word: "ESSENTIAL"

Target Audience: Primary School Aged Students – Grades 4 to 6

Start Date: Monday, September 19, 2011

Closing Date: Monday, September 26, 2011

**Objective:** Create as many 3 letter or more words from the key word.

- ☉ Rules and Regulations and Entry Forms available

### Activity 3 – Map Project

**Objective:** "Map Reading and presentation of statistical data"

Target Audience: Primary School Aged Students – Grades 4 to 6

Start Date: Monday, September 26, 2011

Closing Date: Tuesday, October 11, 2011

Presentation Date: Tuesday, October 11, 2011

**Project Description:** Students are asked to use a highly detailed map of their school and the surrounding area to get a sense of location and place. With the Anguilla Population and Housing Census 2011 well underway, this allows students to have a better appreciation for their communities, populations and geographical features; and some processes of collecting information.

#### **Activity 4 – The Bridge Radio Programme**

**Topic:** Promoting the Statistics Week of Activities  
**Target Audience:** General Public (Listening Audience)  
**Start Date:** Wednesday, October 05, 2011

- ☉ The Bridge – Giving Numbers Meaning radio programme is a weekly Wednesday 15-minute radio programme aired on Radio Anguilla. It is produced in conjunction with the Anguilla Statistics Department (ASD). Listen live via the world wide web - <http://www.radioaxa.com/>

---
