

## Suriname Schedule of Activities

The activities planned for celebrating CSD/WSD in Suriname on the 15<sup>th</sup> and the 20<sup>th</sup> of October are :

1. On Caribbean Statistics Day, Thursday the 15<sup>th</sup> of 2015, the General Bureau of Statistics will have a get to gather with the GBS staff, where they will have a speech from the director, a slide show of the previous CSD celebrations and a lunch.
2. All the GBS personnel will receive a CSD/WSD polo Shirt and to wear this on CSD and WSD and on Friday's for the remaining of the year to work.
3. There will be a one day Statistics Fair, on the 20<sup>th</sup> of October (WSD) from 12.00- 18.00 o'clock at the Lalla Rookh building, where GBS and other ministries will participate. The UNICEF and the UNPD are sponsoring the data fair and the EnvironmentInfo launch.
4. Suriname will launch their SurinameEnvironment Info online, and the two DevInfo databases that were launched last year will be updated. At the launch, all the stakeholders of the Environment publication will be invited. The launch will be on the 20<sup>th</sup> of October, (WSD) from 9.00- 11.00 o'clock.
5. On the 29<sup>th</sup> of September 7 banners will be placed on various locations in Suriname, where WSD and the Statistics Fair will be promoted. The GBS has permission to leave this banners on those location up to the 20<sup>th</sup> of October this year.
6. The GBS will visit the secondary schools ( junior and senior) and distribute some booklets regarding the Sustainable development Goals (SDG guide), the work that the GBS does ( GBSINFO guide) an Environment Guide which is a summary of the last environment publication and a poster with all the 17 Sustainable Development Goals ( on A2 format). These booklets will also be provided to the Fair visitors .
7. There will be an infomercial were the director of GBS, mr. So will say a few words about CSD/WSD and the fair, and also one of the sponsors of the fair, mr. Armstrong Alexis, from the UNDP will have a infomercial saying some words about the importance of data, the SDG etc. This will be broadcast on television stations in the period 15 - 20<sup>th</sup> October.
8. There will also be promotion on the radio stations and in the newspapers about celebrating WSD and the Statistics Fair.
